Design Experience and Career Highlights

UX/UI/IXD DESIGNER / ART DIRECTOR

Cisco Systems®, Contract Assignment | Pasadena, CA Oct 2018 — Present

- Partnering with the Innovation Design Studio Team at 1st Movement, Inc., helped redesign Cisco's Network Academy microsite, including categories of innovation, experiences and partnership. Working closely with Creative Director using wireframes and journey site maps, helped design various user interfaces and interactive templates with modules for multiple professionals' stories and experiences pages.
- Working with the Creative Director and Strategy Team, helped design an interactive online survey case study for the Customer Research Portal for Cisco Systems using Cisco's digital guidelines. Collaborating with the Interactive and Production teams, helped create a main homepage, administrators and employees profile login pages and 16+ experimental pages. Visualized, designed and created prototypes for unique user experiences in mobile, tablet and desktop view sizes.

DIGITAL ART DIRECTOR / LEAD UX/UI DESIGNER

One & All — Advertising Agency | Pasadena, CA Nov 2014 — Sept 2018

- Digital Art Director for advertising agency assisting major North American non-profit organizations with growth in the digital space, including Feeding America Food Banks Network, The Salvation Army, U.S. and Canadian Rescue Missions, Mercy Ships, Operation Smile. Worked on an agile environment with creative directors, producers, writers, development, and strategy teams on deadline-driven digital assignments for final products, through deployment.
- Lead and managed a small team of designers, programmers and producers to ensure multiple projects and digital assets were delivered effectively on-time and on-budget.
- Responsible for designing and creating UX/UI frameworks, wireframes, navigation sitemaps, style guides, prototypes and internal content for new websites, and donation platforms. Analytics team reported 70-80% of clients saw an increase of 250% in online traffic, and higher donation growth from 150-350% in comparison to previous year on all new websites.
- Worked closely with strategy team, creative directors and copy-writers to design, develop, test and deliver large fundraising promotional web campaigns, social media banner ad assets, multiple seasonal emails, optimization A/B testing and integrated microsites for multiple non-profit organizations and educational institutions.

SENIOR WEB/UI DESIGNER

Warner Bros Studios — Telepictures Productions | Burbank, CA Nov 2005 — Jun 2014

- Redesigned and maintained multiple brand new seasonal websites for Warner Bros Studios daytime television talk shows. Daytime talk shows included *Ellen DeGeneres*, *Extra*, *Bethenny*, *Anderson Cooper*, *Let's Ask America*, *TMZ*, *People's Court*, *Judge Mathis*, *Dr. Drew's Lifechangers*, *The Tyra Banks Show*, plus *Telepictures Music*.
- Worked closely with web development and marketing teams to ensure technical and design implementation on several branded marketing web campaigns projects, sweepstakes and giveaways. Clients include: Samsung, Shutterfly, Universal Orlando Studios, QVC, Google, Hyundai, Embassy Suite Hotels, The Voice, L'Oreal, Skype, GMC, JCPenney, and others.
- Conceptualized desktop and mobile design elements for *Warner Bros Television*, *Ellen DeGeneres*, *Extra TV*, *TMZ* and various pilot shows. Designed and maintained daily blog entry content, programming daily online giveaways, multiple web client-based integration projects, photo/video galleries, weekly newsletters, animated banner ads, food/beauty recipes and social media infographics on Facebook, Twitter, Instagram, and YouTube channels.
